## **Housing Authority of the City of Pittsburgh Employment / Elderly / Disability / Veteran Preference Information**

---

To receive a preference for the Site-Based Waiting List (with the exception of the Scattered Sites Site-Based Waiting List), you must be employed for six consecutive months, elderly (Age 62 or above), disabled or claim veteran status\*. If you do not meet one of these requirements, you will receive a non-preference.

**Effective June 1, 2015 we instituted a “Veteran Preference” for any active duty United States service member or veteran. The preference extends to:**

- (1) The household of which the service member or veteran is a member.**
- (2) The surviving household members of a deceased service member or veteran who died of service-connected causes, provided:**
  - (i) The death occurred during active duty service or within five- (5) years of discharge from service.**
  - (ii) The death occurred not more than five- (5) years from the date of application for housing.**

The Veteran Preference established is **cumulative** with other preferences currently being utilized by the HACP for which the applicant qualifies, so that service members or veterans have priority over non-service members and non-veterans **within each preference category** (involuntarily displaced, elderly, disability, working, non-preference).

If you are currently employed, but do not meet the six-month employment requirement, you are required to let the Housing Authority know about any change in circumstance so that we can change your preference status. If you become disabled or turn age 62 after completing an application, you are required to let the Housing Authority know about any change in circumstance so that we can change your preference status.

---

Persons who apply for or receive assistance under the following programs are required to sign this consent form:

Public Housing  
Housing Choice Voucher  
Section 8 Moderate Rehabilitation

**Failure to Sign Consent Form:** Your failure to sign the consent form may result in the denial of eligibility or termination of assisted housing benefits, or both. Denial of eligibility or termination of benefits is subject to the HA's grievance procedures and Section 8 informal hearing procedures.

**Revocation of consent:** If you revoke consent, the PHA will be unable to verify your information, although the data matches between HUD and other agencies will continue to automatically occur in the Enterprise Income Verification (EIV) System if the family is not terminated from the program.

## Sources of Information to be Obtained

State Wage Information Collection Agencies. (This consent is limited to wages and unemployment compensation I have received when I have received assisted housing benefits.)

U.S. Social Security Administration (HUD only) (This consent is limited to the wage and self-employment information and payments of retirement income as referenced at Section 6103(l)(7)(A) of the Internal Revenue Code.)

U.S. Internal Revenue Service (HUD only) (This consent is limited to unearned income [i.e., interest and dividends].)

Information may also be obtained directly from: (a) current and former employers concerning salary and wages; and (b) financial institutions as defined in the Right to Financial Privacy Act (12 U.S.C. 3401), whenever the HA determines the record is needed to determine an applicant's or participant's eligibility for assistance or level of benefits. I understand that income information obtained from these sources will be used to verify information that I provide in determining eligibility for assisted housing programs and the level of benefits. Therefore, this consent form only authorizes release directly from employers and financial institutions of information.

**Consent: I consent to allow HUD or the HA to request and obtain income information from the sources listed on this form for the purpose of verifying my eligibility and level of benefits under HUD's assisted housing programs. I understand that HAs that receive income information under this consent form cannot use it to deny, reduce or terminate assistance without first independently verifying what the amount was, whether I actually had access to the funds and when the funds were received. In addition, I must be given an opportunity to contest those determinations.**

This consent form remains effective until the earliest of (i) the rendering of a final adverse decision for an assistance applicant; (ii) the cessation of a participant's eligibility for assistance from HUD and the PHA; or (iii) The express revocation by the assistance applicant or recipient (or applicable family member) of the authorization, in a written notification to HUD or the PHA.

#### NOTICE TO APPLICANTS AND PARTICIPANTS OF THE FOLLOWING HUD RENTAL ASSISTANCE PROGRAMS:

- Public Housing (24 CFR 960)
- Section 8 Housing Choice Voucher, including the Disaster Housing Assistance Program (24 CFR 982)
- Section 8 Moderate Rehabilitation (24 CFR 882)
- Project-Based Voucher (24 CFR 983)

The U.S. Department of Housing and Urban Development maintains a national repository of debts owed to Public Housing Agencies (PHAs) or Section 8 landlords and adverse information of former participants who have voluntarily or involuntarily terminated participation in one of the above-listed HUD rental assistance programs. This information is maintained within HUD's Enterprise Income Verification (EIV) system, which is used by Public Housing Agencies (PHAs) and their management agents to verify employment and income information of program participants, as well as, to reduce administrative and rental assistance payment errors. The EIV system is designed to assist PHAs and HUD in ensuring that families are eligible to participate in HUD rental assistance programs and determining the correct amount of rental assistance a family is eligible for. All PHAs are required to use this system in accordance with HUD regulations at 24 CFR 5.233.

HUD requires PHAs, which administers the above-listed rental housing programs, to report certain information at the conclusion of your participation in a HUD rental assistance program. This notice provides you with information on what information the PHA is required to provide HUD, who will have access to this information, how this information is used and your rights. PHAs are required to provide this notice to all applicants and program participants and you are required to acknowledge receipt of this notice by signing page 2. Each adult household member must sign this form.

#### What information about you and your tenancy does HUD collect from the PHA?

The following information is collected about each member of your household (family composition): full name, date of birth, and Social Security Number.

The following adverse information is collected once your participation in the housing program has ended, whether you voluntarily or involuntarily move out of an assisted unit:

1. Amount of any balance you owe the PHA or Section 8 landlord (up to \$500,000) and explanation for balance owed (i.e. unpaid rent, retroactive rent (due to unreported income and/ or change in family composition) or other charges such as damages, utility charges, etc.); and
2. Whether or not you have entered into a repayment agreement for the amount that you owe the PHA; and
3. Whether or not you have defaulted on a repayment agreement; and
4. Whether or not the PHA has obtained a judgment against you; and
5. Whether or not you have filed for bankruptcy; and
6. The negative reason(s) for your end of participation or any negative status (i.e., abandoned unit, fraud, lease violations, criminal activity, etc.) as of the end of participation date.

**Who will have access to the information collected?**

This information will be available to HUD employees, PHA employees, and contractors of HUD and PHAs.

**How will this information be used?**

PHAs will have access to this information during the time of application for rental assistance and reexamination of family income and composition for existing participants. PHAs will be able to access this information to determine a family's suitability for initial or continued rental assistance, and avoid providing limited Federal housing assistance to families who have previously been unable to comply with HUD program requirements. If the reported information is accurate, a PHA may terminate your current rental assistance and deny your future request for HUD rental assistance, subject to PHA policy.

**How long is the debt owed and termination information maintained in EIV?**

Debt owed and termination information will be maintained in EIV for a period of up to ten (10) years from the end of participation date or such other period consistent with State Law.

**What are my rights?**

In accordance with the Federal Privacy Act of 1974, as amended (5 USC 552a) and HUD regulations pertaining to its implementation of the Federal Privacy Act of 1974 (24 CFR Part 16), you have the following rights:

1. To have access to your records maintained by HUD, subject to 24 CFR Part 16.
2. To have an administrative review of HUD's initial denial of your request to have access to your records maintained by HUD.
3. To have incorrect information in your record corrected upon written request.
4. To file an appeal request of an initial adverse determination on correction or amendment of record request within 30 calendar days after the issuance of the written denial.
5. To have your record disclosed to a third party upon receipt of your written and signed request.

**What do I do if I dispute the debt or termination information reported about me?**

If you disagree with the reported information, you should contact in writing the PHA who has reported this information about you. The PHA's name, address, and telephone numbers are listed on the Debts Owed and Termination Report. You have a right to request and obtain a copy of this report from the PHA. Inform the PHA why you dispute the information and provide any documentation that supports your dispute. HUD's record retention policies at 24 CFR Part 908 and 24 CFR Part 982 provide that the PHA may destroy your records three years from the date your participation in the program ends. To ensure the availability of your records, disputes of the original debt or termination information must be made within three years from the end of participation date; otherwise the debt and termination information will be presumed correct. Only the PHA who reported the adverse information about you can delete or correct your record. Your filing of bankruptcy will not result in the removal of debt owed or termination information from HUD's EIV system. However, if you have included this debt in your bankruptcy filing and/or this debt has been discharged by the bankruptcy court, your record will be updated to include the bankruptcy indicator, when you provide the PHA with documentation of your bankruptcy status.

The PHA will notify you in writing of its action regarding your dispute within 30 days of receiving your written dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record. If the PHA determines that the disputed information is correct, the PHA will provide an explanation as to why the information is correct.

**Notice of Occupancy Rights under the Violence Against Women Act<sup>1</sup>**

**To all Tenants and Applicants**

The Violence Against Women Act (VAWA) provides protections for victims of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of sex, gender identity, or sexual orientation.<sup>2</sup> The U.S. Department of Housing and Urban Development (HUD) is the Federal agency that oversees that **the low income public housing program** is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA.”

**Protections for Applicants**

If you otherwise qualify for assistance under **the low income public housing program**, you cannot be denied admission or denied assistance because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

**Protections for Tenants**

If you are receiving assistance under **the low income public housing program**, you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been the victim of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under **the low income public housing program**, solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

**Removing the Abuser or Perpetrator from the Household**

HP may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If HP chooses to remove the abuser or perpetrator, HP may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator \_\_\_\_\_

<sup>1</sup> Despite the name of this law, VAWA protection is available regardless of sex, gender identity, or sexual orientation.

<sup>2</sup> Housing providers cannot discriminate on the basis of any protected characteristic, including race, color, national origin, religion, sex, familial status, disability, or age. HUD-assisted and HUD-insured housing must be made available to all otherwise eligible individuals regardless of actual or perceived sexual orientation, gender identity, or marital status.

was the sole tenant to have established eligibility for assistance under the program, HP must allow the tenant who is or has been a victim and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, HP must follow Federal, State, and local eviction procedures. In order to divide a lease, HP may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

### **Moving to Another Unit**

Upon your request, HP may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, HP may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking. If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

**(1)You are a victim of domestic violence, dating violence, sexual assault, or stalking.** If your housing provider does not already have documentation that you are a victim of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.

**(2)You expressly request the emergency transfer.** Your housing provider may choose to require that you submit a form, or may accept another written or oral request.

**(3)You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit.** This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

### **OR**

**You are a victim of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer.** If you are a victim of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

HP will keep confidential requests for emergency transfers by victims of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such victims and their families.

HP's emergency transfer plan provides further information on emergency transfers, and HP must make a copy of its emergency transfer plan available to you if you ask to see it.

## **Documenting You Are or Have Been a Victim of Domestic Violence, Dating Violence, Sexual Assault or Stalking**

HP can, but is not required to, ask you to provide documentation to “certify” that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking. Such request from HP must be in writing, and HP must give you at least 14 business days (Saturdays, Sundays, and Federal holidays do not count) from the day you receive the request to provide the documentation. HP may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to HP as documentation. It is your choice which of the following to submit if HP asks you to provide documentation that you are or have been a victim of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form given to you by HP with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a victim service provider, an attorney, a medical professional or a mental health professional (collectively, “professional”) from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that he or she believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.
- Any other statement or evidence that HP has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, HP does not have to provide you with the protections contained in this notice.

If HP receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), HP has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, HP does not have to provide you with the protections contained in this notice.

## **Confidentiality**

HP must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

HP must not allow any individual administering assistance or other services on behalf of HP (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

HP must not enter your information into any shared database or disclose your information to any other entity or individual. HP, however, may disclose the information provided if:

- You give written permission to HP to release the information on a time limited basis.
- HP needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires HP or your landlord to release the information.

VAWA does not limit HP's duty to honor court orders about access to or control of the property. This includes orders issued to protect a victim and orders dividing property among household members in cases where a family breaks up.

### **Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated**

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, HP cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been victims of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if HP can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

- 1) Would occur within an immediate time frame, and
- 2) Could result in death or serious bodily harm to other tenants or those who work on the property.

If HP can demonstrate the above, HP should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

### **Other Laws**

VAWA does not replace any Federal, State, or local law that provides greater protection for victims of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for victims of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.

### **Non-Compliance with The Requirements of This Notice**

You may report a covered housing provider's violations of these rights and seek additional assistance, if needed, by contacting or filing a complaint with **HUD – Pittsburgh Field Office 1000 Liberty Ave. Pittsburgh, Pa 15222.**

You may view a copy of HUD's final VAWA rule at <https://portal.hud.gov/hudportal/documents/huddoc?id=5720-F-03VAWAFinRule.pdf>

OMB Approval No. 2577-0286  
Exp. 06/30/2017

**Purpose of Form:** The Violence Against Women Act (“VAWA”) protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

**Use of This Optional Form:** If you are seeking VAWA protections from your housing provider, your housing provider may give you a written request that asks you to submit documentation about the incident or incidents of domestic violence, dating violence, sexual assault, or stalking.

In response to this request, you or someone on your behalf may complete this optional form and submit it to your housing provider, or you may submit one of the following types of third-party documentation:

- (1) A document signed by you and an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional, or a mental health professional (collectively, “professional”) from whom you have sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse. The document must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence, dating violence, sexual assault, or stalking occurred and meet the definition of “domestic violence,” “dating violence,” “sexual assault,” or “stalking” in HUD’s regulations at 24 CFR 5.2003.
- (2) A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency; or
- (3) At the discretion of the housing provider, a statement or other evidence provided by the applicant or tenant.

**Submission of Documentation:** The time period to submit documentation is 14 business days from the date that you receive a written request from your housing provider asking that you provide documentation of the occurrence of domestic violence, dating violence, sexual assault, or stalking. Your housing provider may, but is not required to, extend the time period to submit the documentation, if you request an extension of the time period. If the requested information is not received within 14 business days of when you received the request for the documentation, or any extension of the date provided by your housing provider, your housing provider does not need to grant you any of the VAWA protections. Distribution or issuance of this form does not serve as a written request for certification.

**Confidentiality:** All information provided to your housing provider concerning the incident(s) of domestic violence, dating violence, sexual assault, or stalking shall be kept confidential and such details shall not be entered into any shared database. Employees of your housing provider are not to have access to these details unless to grant or deny VAWA protections to you, and such employees may not disclose this information to any other entity or individual, except to the extent that disclosure is: (i) consented to by you in writing in a time-limited release; (ii) required for use in an eviction proceeding or hearing regarding termination of assistance; or (iii) otherwise required by applicable law.

## ***What You Should Know About EIV***

### **A Guide for Applicants & Tenants of Public Housing & Section 8 Programs**

#### **What is EIV?**

The Enterprise Income Verification (EIV) system is a web-based computer system that contains employment and income information of individuals who participate in HUD rental assistance programs. All Public Housing Agencies (PHAs) are required to use HUD's EIV system.

#### **What information is in EIV and where does it come from?**

HUD obtains information about you from your local PHA, the Social Security Administration (SSA), and U.S. Department of Health and Human Services (HHS).

HHS provides HUD with wage and employment information as reported by employers; and unemployment compensation information as reported by the State Workforce Agency (SWA).

SSA provides HUD with death, Social Security (SS) and Supplemental Security Income (SSI) information.

#### **What is the EIV information used for?**

Primarily, the information is used by PHAs (and management agents hired by PHAs) for the following purposes to:

1. Confirm your name, date of birth (DOB), and Social Security Number (SSN) with SSA.
2. Verify your reported income sources and amounts.
3. Confirm your participation in only one HUD rental assistance program.
4. Confirm if you owe an outstanding debt to any PHA.
5. Confirm any negative status if you moved out of a subsidized unit (in the past) under the Public Housing or Section 8 program.
6. Follow up with you, other adult household members, or your listed emergency contact regarding deceased household members.

EIV will alert your PHA if you or anyone in your household has used a false SSN, failed to report complete and accurate income information, or is receiving rental assistance at another address.

***Remember, you may receive rental assistance at only one home!***

EIV will also alert PHAs if you owe an outstanding debt to any PHA (in any state or U.S. territory) and any negative status when you voluntarily or involuntarily moved out of a subsidized unit under the Public Housing or Section 8 program. This information is used to determine your eligibility for rental assistance at the time of application.

The information in EIV is also used by HUD, HUD's Office of Inspector General (OIG), and auditors to ensure that your family and PHAs comply with HUD rules.

Overall, the purpose of EIV is to identify and prevent fraud within HUD rental assistance programs, so that limited taxpayer's dollars can assist as many eligible families as possible. EIV will help to improve the integrity of HUD rental assistance programs.

#### **Is my consent required in order for information to be obtained about me?**

Yes, your consent is required in order for HUD or the PHA to obtain information about you. By law, you are required to sign one or more consent forms. When you sign a form HUD-9886 (*Federal Privacy Act Notice and Authorization for Release of Information*) or a PHA consent form (which meets HUD standards), you are giving HUD and the PHA your consent for them to obtain information about you for the purpose of determining your eligibility and amount of rental assistance. The information collected about you will be used only to determine your eligibility for the program, unless you consent in writing to authorize additional uses of the information by the PHA.

***Note: If you or any of your adult household members refuse to sign a consent form, your request for initial or continued rental assistance may be denied. You may also be terminated from the HUD rental assistance program.***

#### **What are my responsibilities?**

As a tenant (participant) of a HUD rental assistance program, you and each adult household member must disclose complete and accurate information to the PHA, including full name, SSN, and DOB; income information; and certify that your reported household composition (household members), income, and expense information is true to the best of your knowledge.

**February 2010**

Remember, you must notify your PHA if a household member dies or moves out. You must also obtain the PHA's approval to allow additional family members or friends to move in your home **prior** to them moving in.

### **What are the penalties for providing false information?**

Knowingly providing false, inaccurate, or incomplete information is **FRAUD** and a **CRIME**.

If you commit fraud, you and your family may be subject to any of the following penalties:

1. Eviction
2. Termination of assistance
3. Repayment of rent that you should have paid had you reported your income correctly
4. Prohibited from receiving future rental assistance for a period of up to 10 years
5. Prosecution by the local, state, or Federal prosecutor, which may result in you being fined up to \$10,000 and/or serving time in jail.

**Protect yourself by following HUD reporting requirements.** When completing applications and reexaminations, you must include all sources of income you or any member of your household receives.

If you have any questions on whether money received should be counted as income or how your rent is determined, **ask your PHA**. When changes occur in your household income, **contact your PHA immediately** to determine if this will affect your rental assistance.

### **What do I do if the EIV information is incorrect?**

Sometimes the source of EIV information may make an error when submitting or reporting information about you. If you do not agree with the EIV information, let your PHA know.

If necessary, your PHA will contact the source of the information directly to verify disputed income information. Below are the procedures you and the PHA should follow regarding incorrect EIV information.

**Debts owed to PHAs and termination information** reported in EIV originates from the PHA who provided you assistance in the past. If you dispute this information, contact your former PHA directly in writing to dispute this information and provide any documentation that supports your dispute. If the PHA determines that the disputed information is incorrect, the PHA will update or delete the record from EIV.

**Employment and wage information** reported in EIV originates from the employer. If you dispute this information, contact the employer in writing to dispute **and** request correction of the disputed employment and/or wage information. Provide your PHA with a copy of the letter that you sent to the employer. If you are unable to get the employer to correct the information, you should contact the SWA for assistance.

**Unemployment benefit information** reported in EIV originates from the SWA. If you dispute this information, contact the SWA in writing to dispute **and** request correction of the disputed unemployment benefit information. Provide your PHA with a copy of the letter that you sent to the SWA.

**Death, SS and SSI benefit information** reported in EIV originates from the SSA. If you dispute this information, contact the SSA at (800) 772-1213, or visit their website at: [www.socialsecurity.gov](http://www.socialsecurity.gov). You may need to visit your local SSA office to have disputed death information corrected.

**Additional Verification.** The PHA, with your consent, may submit a third party verification form to the provider (or reporter) of your income for completion and submission to the PHA.

You may also provide the PHA with third party documents (i.e. pay stubs, benefit award letters, bank statements, etc.) which you may have in your possession.

**Identity Theft.** Unknown EIV information to you can be a sign of identity theft. Sometimes someone else may use your SSN, either on purpose or by accident. So, if you suspect someone is using your SSN, you should check your Social Security records to ensure your income is calculated correctly (call SSA at (800) 772-1213); file an identity theft complaint with your local police department or the Federal Trade Commission (call FTC at (877) 438-4338, or you may visit their website at: <http://www.ftc.gov>). Provide your PHA with a copy of your identity theft complaint.

### **Where can I obtain more information on EIV and the income verification process?**

Your PHA can provide you with additional information on EIV and the income verification process. You may also read more about EIV and the income verification process on HUD's Public and Indian Housing EIV web pages at: <http://www.hud.gov/offices/pih/programs/pih/thiip/uiv.cfm>.

Dear Prospective Resident:

The Housing Authority of the City of Pittsburgh has tested the painted surfaces in some residential units and common areas in your community. We have confirmed the presence of lead-based paint in some of the components in the units tested. Even though we may not have tested your unit, it is possible that similar components in your unit may also contain lead-based paint.

Since this possibility exists, we recommend that you immediately do the following as a precaution:

1. All children in your unit six (6) years of age and under should be tested for the presence of lead in their blood.
2. Your physician or the Allegheny County Health Department can do this simple test; you may contact the Lead Programming by calling 412-578-7942.
3. Please contact your community Manager and present him/her with a copy of the blood test results.

As a service to you and your family, enclosed is a brochure from the Environmental Protection Agency (EPA) entitled "Protect Your Family From Lead in Your Home". This brochure can help you in protecting your family from lead hazards.

We at the Housing Authority of the City of Pittsburgh have made a serious commitment to educate our residents on the dangers of lead poisoning. Please retain these documents for your records.

## Simple Steps To Protect Your Family From Lead Hazards

### If you think your home has high levels of lead:

- ◆ Get your young children tested for lead, even if they seem healthy.
- ◆ Wash children's hands, bottles, pacifiers, and toys often.
- ◆ Make sure children eat healthy, low-fat foods. Get your home checked for lead hazards.
- ◆ Regularly clean floors, window sills, and other surfaces.
- ◆ Wipe soil off shoes before entering house.
- ◆ Talk to your landlord about fixing surfaces with peeling or chipping paint.
- ◆ Take precautions to avoid exposure to lead dust when remodeling or renovating (call 1- 800-424- LEAD for guidelines).
- ◆ Don't use a belt-sander, propane torch, high temperature heat gun, scraper, or sandpaper on painted surfaces that may contain lead.
- ◆ Don't try to remove lead-based paint yourself.

## Are You Planning To Buy, Rent, or Renovate a Home Built Before 1978?

**M**any houses and apartments built before 1978 have paint that contains high levels of lead (called lead-based paint). Lead from paint, chips, and dust can pose serious health hazards if not taken care of properly.

**OWNERS, BUYERS, and RENTERS** are encouraged to check for lead (see page 6) before renting, buying or renovating pre-1978 housing.

**F**ederal law requires that individuals receive certain information before renting, buying, or renovating pre-1978 housing:

**LANDLORDS** have to disclose known information on lead-based paint and lead-based paint hazards before leases take effect. Leases must include a disclosure about lead-based paint.

**SELLERS** have to disclose known information on lead-based paint and lead-based paint hazards before selling a house. Sales contracts must include a disclosure about lead-based paint. Buyers have up to 10 days to check for lead.

**RENOVATORS** disturbing more than 2 square feet of painted surfaces have to give you this pamphlet before starting work.

## IMPORTANT!

### Lead From Paint, Dust, and Soil Can Be Dangerous If Not Managed Properly

**FACT:** Lead exposure can harm young children and babies even before they are born.

**FACT:** Even children who seem healthy can have high levels of lead in their bodies.

**FACT:** People can get lead in their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.

**FACT:** People have many options for reducing lead hazards. In most cases, lead-based paint that is in good condition is not a hazard.

**FACT:** Removing lead-based paint improperly can increase the danger to your family.

If you think your home might have lead hazards, read this pamphlet to learn some simple steps to protect your family.

## Lead Gets in the Body in Many Ways

**Childhood lead poisoning remains a major environmental health problem in the U.S.**

**Even children who appear healthy can have dangerous levels of lead in their bodies.**

### People can get lead in their body if they:

- ◆ Breathe in lead dust (especially during renovations that disturb painted surfaces).
- ◆ Put their hands or other objects covered with lead dust in their mouths.
- ◆ Eat paint chips or soil that contains lead.

### Lead is even more dangerous to children under the age of 6:

- ◆ At this age children's brains and nervous systems are more sensitive to the damaging effects of lead.
- ◆ Children's growing bodies absorb more lead.
- ◆ Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

### Lead is also dangerous to women of childbearing age:

- ◆ Women with a high lead level in their system prior to pregnancy would expose a fetus to lead through the placenta during fetal development.

## Lead's Effects

It is important to know that even exposure to low levels of lead can severely harm children.

### In children, lead can cause:

- ◆ Nervous system and kidney damage.
- ◆ Learning disabilities, attention deficit disorder, and decreased intelligence.
- ◆ Speech, language, and behavior problems.
- ◆ Poor muscle coordination.
- ◆ Decreased muscle and bone growth.
- ◆ Hearing damage.

While low-lead exposure is most common, exposure to high levels of lead can have devastating effects on children, including seizures, unconsciousness, and, in some cases, death.

Although children are especially susceptible to lead exposure, lead can be dangerous for adults too.

### In adults, lead can cause:

- ◆ Increased chance of illness during pregnancy.
- ◆ Harm to a fetus, including brain damage or death.
- ◆ Fertility problems (in men and women).
- ◆ High blood pressure.
- ◆ Digestive problems.
- ◆ Nerve disorders.
- ◆ Memory and concentration problems.
- ◆ Muscle and joint pain.

**Lead affects the body in many ways.**

## Where Lead-Based Paint Is Found

---

**In general, the older your home, the more likely it has lead-based paint.**

**Many homes built before 1978 have lead-based paint.** The federal government banned lead-based paint from housing in 1978. Some states stopped its use even earlier. Lead can be found:

- ♦ In homes in the city, country, or suburbs.
- ♦ In apartments, single-family homes, and both private and public housing.
- ♦ Inside and outside of the house.
- ♦ In soil around a home. (Soil can pick up lead from exterior paint or other sources such as past use of leaded gas in cars.)

## Checking Your Family for Lead

---

**Get your children and home tested if you think your home has high levels of lead.**

**To reduce your child's exposure to lead, get your child checked, have your home tested (especially if your home has paint in poor condition and was built before 1978), and fix any hazards you may have.**

Children's blood lead levels tend to increase rapidly from 6 to 12 months of age, and tend to peak at 18 to 24 months of age.

Consult your doctor for advice on testing your children. A simple blood test can detect high levels of lead. Blood tests are usually recommended for:

- ♦ Children at ages 1 and 2.
- ♦ Children or other family members who have been exposed to high levels of lead.
- ♦ Children who should be tested under your state or local health screening plan.

Your doctor can explain what the test results mean and if more testing will be needed.

## Identifying Lead Hazards

---

**Lead-based paint** is usually not a hazard if it is in good condition, and it is not on an impact or friction surface, like a window. It is defined by the federal government as paint with lead levels greater than or equal to 1.0 milligram per square centimeter, or more than 0.5% by weight.

**Deteriorating lead-based paint (peeling, chipping, chalking, cracking or damaged)** is a hazard and needs immediate attention. It may also be a hazard when found on surfaces that children can chew or that get a lot of wear-and-tear, such as:

- ♦ Windows and window sills.
- ♦ Doors and door frames.
- ♦ Stairs, railings, banisters, and porches.

**Lead dust** can form when lead-based paint is scraped, sanded, or heated. Dust also forms when painted surfaces bump or rub together. Lead chips and dust can get on surfaces and objects that people touch. Settled lead dust can re-enter the air when people vacuum, sweep, or walk through it. The following two federal standards have been set for lead hazards in dust:

- ♦ 40 micrograms per square foot ( $\mu\text{g}/\text{ft}^2$ ) and higher for floors, including carpeted floors.
- ♦ 250  $\mu\text{g}/\text{ft}^2$  and higher for interior window sills.

**Lead in soil** can be a hazard when children play in bare soil or when people bring soil into the house on their shoes. The following two federal standards have been set for lead hazards in residential soil:

- ♦ 400 parts per million (ppm) and higher in play areas of bare soil.
- ♦ 1,200 ppm (average) and higher in bare soil in the remainder of the yard.

The only way to find out if paint, dust and soil lead hazards exist is to test for them. The next page describes the most common methods used.

**Lead from paint chips, which you can see, and lead dust, which you can't always see, can both be serious hazards.**

## Checking Your Home for Lead

**Just knowing that a home has lead-based paint may not tell you if there is a hazard.**

You can get your home tested for lead in several different ways:

- ◆ A paint **inspection** tells you whether your home has lead-based paint and where it is located. It won't tell you whether or not your home currently has lead hazards.
  - ◆ A **risk assessment** tells you if your home currently has any lead hazards from lead in paint, dust, or soil. It also tells you what actions to take to address any hazards.
  - ◆ A combination risk assessment and inspection tells you if your home has any lead hazards and if your home has any lead-based paint, and where the lead-based paint is located.
- Hire a trained and certified testing professional who will use a range of reliable methods when testing your home.
- ◆ Visual inspection of paint condition and location.
  - ◆ A portable x-ray fluorescence (XRF) machine.
  - ◆ Lab tests of paint, dust, and soil samples.

There are state and federal programs in place to ensure that testing is done safely, reliably, and effectively. Contact your state or local agency (see bottom of page 11) for more information, or call **1-800-424-LEAD (5323)** for a list of contacts in your area.

**Home test kits for lead are available, but may not always be accurate.** Consumers should not rely on these kits before doing renovations or to assure safety.

## What You Can Do Now To Protect Your Family

**If you suspect that your house has lead hazards, you can take some immediate steps to reduce your family's risk:**

- ◆ **If you rent, notify your landlord of peeling or chipping paint.**
- ◆ **Clean up paint chips immediately.**
- ◆ **Clean floors, window frames, window sills, and other surfaces weekly.** Use a mop or sponge with warm water and a general all-purpose cleaner or a cleaner made specifically for lead. **REMEMBER: NEVER MIX AMMONIA AND BLEACH PRODUCTS TOGETHER SINCE THEY CAN FORM A DANGEROUS GAS.**
- ◆ **Thoroughly rinse sponges and mop heads after cleaning dirty or dusty areas.**
- ◆ **Wash children's hands often, especially before they eat and before nap time and bed time.**
- ◆ **Keep play areas clean.** Wash bottles, pacifiers, toys, and stuffed animals regularly.
- ◆ **Keep children from chewing window sills or other painted surfaces.**
- ◆ **Clean or remove shoes before entering your home to avoid tracking in lead from soil.**

**Make sure children eat nutritious, low-fat meals high in iron and calcium,** such as spinach and dairy products. Children with good diets absorb less lead.

## Reducing Lead Hazards In The Home

**Removing lead improperly can increase the hazard to your family by spreading even more lead dust around the house.**

**Always use a professional who is trained to remove lead hazards safely.**

In addition to day-to-day cleaning and good nutrition:

- ◆ You can **temporarily** reduce lead hazards by taking actions such as repairing damaged painted surfaces and planting grass to cover soil with high lead levels. These actions (called “interim controls”) are not permanent solutions and will need ongoing attention.
- ◆ To **permanently** remove lead hazards, you should hire a certified lead “abatement” contractor. Abatement (or permanent hazard elimination) methods include removing, sealing, or enclosing lead-based paint with special materials.

Just painting over the hazard with regular paint is not permanent removal. Always hire a person with special training for correcting lead problems—someone who knows how to do this work safely and has the proper equipment to clean up thoroughly. Certified contractors will employ qualified workers and follow strict safety rules as set by their state or by the federal government.

Once the work is completed, dust cleanup activities must be repeated until testing indicates that lead dust levels are below the following:

- ◆ 40 micrograms per square foot ( $\mu\text{g}/\text{ft}^2$ ) for floors, including carpeted floors;
- ◆ 250  $\mu\text{g}/\text{ft}^2$  for interior windows sills; and
- ◆ 400  $\mu\text{g}/\text{ft}^2$  for window troughs.

Call your state or local agency (see bottom of page 11) for help in locating certified professionals in your area and to see if financial assistance is available.

## Remodeling or Renovating a Home With Lead-Based Paint

Take precautions before your contractor or you begin remodeling or renovating anything that disturbs painted surfaces (such as scraping off paint or tearing out walls):

- ◆ **Have the area tested for lead-based paint.**
- ◆ **Do not use a belt-sander, propane torch, high temperature heat gun, dry scraper, or dry sandpaper** to remove lead-based paint. These actions create large amounts of lead dust and fumes. Lead dust can remain in your home long after the work is done.
- ◆ **Temporarily move your family** (especially children and pregnant women) out of the apartment or house until the work is done and the area is properly cleaned. If you can’t move your family, at least completely seal off the work area.
- ◆ **Follow other safety measures to reduce lead hazards.** You can find out about other safety measures by calling 1-800-424-LEAD. Ask for the brochure “Reducing Lead Hazards When Remodeling Your Home.” This brochure explains what to do before, during, and after renovations.

If you have already completed renovations or remodeling that could have released lead-based paint or dust, get your young children tested and follow the steps outlined on page 7 of this brochure.

**If not conducted properly, certain types of renovations can release lead from paint and dust into the air.**

## Other Sources of Lead

While paint, dust, and soil are the most common sources of lead, other lead sources also exist.

- ◆ **Drinking water.** Your home might have plumbing with lead or lead solder. Call your local health department or water supplier to find out about testing your water. You cannot see, smell, or taste lead, and boiling your water will not get rid of lead. If you think your plumbing might have lead in it:
  - Use only cold water for drinking and cooking.
  - Run water for 15 to 30 seconds before drinking it, especially if you have not used your water for a few hours.
- ◆ **The job.** If you work with lead, you could bring it home on your hands or clothes. Shower and change clothes before coming home. Launder your work clothes separately from the rest of your family's clothes.
- ◆ Old painted **toys** and **furniture**.
- ◆ Food and liquids stored in **lead crystal** or **lead-glazed pottery or porcelain**.
- ◆ **Lead smelters** or other industries that release lead into the air.
- ◆ **Hobbies** that use lead, such as making pottery or stained glass, or refinishing furniture.
- ◆ **Folk remedies** that contain lead, such as "greta" and "azarcon" used to treat an upset stomach.
